

CALLING IN GAMES

Important Information for Managers

Manager of winning team

Please remember to contact your Player Rep with the results of your game.

****Should you not call in your game, the game will be considered a double forfeit.**

Managers of Junior and Senior teams

Remember to have pitcher info (First and Last names and number of innings pitched) ready as well.

Remember that one pitch in an inning constitutes a full inning pitched.

Player Rep phone numbers and emails are available in the Contact Us section.

UMPIRE SCORE SHEETS

Important Information for Managers

Managers of the home team, **please be thorough** when completing the Umpire Score Sheets.

Be sure to include date, team names, score and pitcher info (for Juniors and Seniors).

It is very difficult to keep accurate records when the information needed is not supplied.

Managers of the visiting team, **be sure to read the sheet for accuracy - before signing your name to it**, as your signature is your verification of the supplied data.

Thank you for your cooperation in this matter.

GAME RESULTS MENU

Important Information for Managers and Coaches

Headline Column

This column will contain general game info.

If suspended, it will show at which point the game was stopped.

If rained out, it will state only that it was rained out.

After the game is rescheduled a small blue box with an "i" in it will be displayed on the schedule next to the game.

If you click this box it will show the original game information.

After the game is played the original game info will be in the Headlines Column.

Junior and Senior Divisions

Pitching stats (innings pitched) are available in the Game Results menu.

You have to click on the individual games to see the stats.
